

Do you need Jesus?

What is your condition?

The Bible tells us that while Jesus was on the earth, there were “certain ones who trusted in themselves that they were righteous, and viewed others with contempt;” (Luke 18:9).

Today, the world is not so different from that time. Perhaps you feel that you too have no need of or use for the Lord Jesus.

*And Jesus answered and said to them, ‘It is not those who are well who need a physician, but those who are sick. I have not come to call the righteous but sinners to repentance’* (Luke 5:31-32).

Many in the world are lost, are weary and heavy-laden. Many in this world are tired of sin as it eats away at their person. Jesus came as a physician for these people.
